SUMMARY

Motivated Full Stack MERN Developer with strong expertise in building responsive and scalable web applications using React.js, JavaScript, Tailwind CSS, Node.js, Express.js, and MongoDB. Hands-on experience in developing real-world projects with clean UI, reusable components, efficient state management, REST APIs, and database operations. Passionate about problem-solving and building impactful full-stack applications.

TRAINING EXPERIENCE

MERN Stack Trainee — QSpiders

- Hands-on training in HTML, CSS, Tailwind CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB
- Completed multiple assignments and real-time modules
- Improved debugging and problem-solving

PROJECTS

GoGreenRaven Website | *React.js, Tailwind CSS*

- Collaborated with a team of developers to design and develop the GoGreenRaven website
- Contributed to development by building responsive UI components using React.js and Tailwind CSS
- Worked closely with team members to ensure smooth task execution and coordination
- Followed clean code practices, built reusable components, and maintained consistent UI design
- Improved user experience through structured layout and responsive design
- Participated in debugging, optimization, and performance improvements
- Live Link: gogreenraven.com

Resume Builder Application | *React.js, Tailwind CSS, JSON Server*

- Developed a dynamic Resume Builder application with user authentication (Login/Signup)
- Implemented form-based resume creation with real-time preview functionality
- Utilized JSON Server as a mock backend to manage user data and authentication
- Implemented CRUD operations for creating, editing, and updating resumes
- Designed a responsive and user-friendly interface using Tailwind CSS
- Managed application state and routing efficiently using React

MindEase: AI-Powered Mental Health Companion | *HTML, CSS, JavaScript*

- Developed responsive frontend interfaces using HTML, CSS, and JavaScript

AI-Based Fake News Detection Tool | *HTML, CSS, JavaScript*

- Built frontend UI for news input and result display using HTML, CSS, and JavaScript

SKILLS

Frontend : HTML5, CSS3, Tailwind CSS, JavaScript, React.js

Backend : Node.js, Express.js

Databases : SQL, MongoDB

Tools: Git, GitHub, VS Code, Postman

Soft Skills : Problem-solving, Teamwork, Communication, Adaptability, Quick Learning, Active Listening

EDUCATION

Institute of Technology Gopeshwar

B.Tech in Computer Science & Engineering

Chamoli, Uttarakhand, India

2022 – 2025

Government Polytechnic Beerokhal (Diploma)

Pauri Garhwal, Uttarakhand, India

HOBBIES

- Playing Cricket
- Exploring Web Development trends and frontend design
- Reading and understanding Geopolitics and current global affairs
